

Marshall Hemingway, PhD

123 Forbes Avenue Pittsburgh, PA 15260

mhemingway@pitt.edu (412) 123-4567

<http://www.linkedin.com/pub/marshall-hemingway>

OBJECTIVE

Seeking a faculty position where I can engage in teaching and research related to the epidemiology of physical activity, obesity, and cardiovascular disease.

QUALIFICATIONS SUMMARY

- Ability to work in multidisciplinary teams
- Experienced with physical activity assessment, lifestyle interventions, diabetes, and cardiovascular disease research projects
- Strong communication skills, verbal and written
- Experience analyzing large datasets
- Proficient in MS Office, SAS, and STATA

EDUCATION

Doctor of Philosophy

August 2008-December 2013

University of Pittsburgh, Pittsburgh, Pennsylvania

Graduate School of Public Health

Concentration: Epidemiology

Awards: Deans Service Award, 2011

Bachelor of Science

August 2004-August 2008

Indiana University of Pennsylvania, Indiana, Pennsylvania

College of Health and Human Services

Concentration: Exercise Science

Minors: Business Administration, Psychology

Honors: Cum Laude

08/02 – 08/07

RESEARCH EXPERIENCE

Postdoctoral Scholar

January 2013-present

University of Pittsburgh, Department of Epidemiology, Pittsburgh, Pennsylvania

- Analyzed large data sets using exploratory, descriptive and multivariate analysis techniques
- Processed and analyzed complex survey datasets including the NHANES and BRFSS using SAS and STATA
- Plan, coordinated, and interpreted statistical analyses using survey data from NHANES and BRFSS
- Provided oral explanations of my data analysis at several local, national, and international scientific conference
- Prepared manuscripts for submission to scientific journals
- Provided consultation on appropriate methods to use in the development of physical activity research projects
- Assisted in the development of a behavior lifestyle intervention pilot project which will be framework for future research proposals

- Performed systematic reviews of the literature on subclinical cardiovascular disease, physical activity assessment and interventions
- Aided in the planning, analyzing, and development of scientific abstracts and manuscripts as a writing committee member for multiple research studies including the Slow Adverse Vascular Effects of Excess Weight Study, the Strong Heart Study, and Look AHEAD study

Research Associate

August 2013-present

Veterans Affairs Health Care System Pittsburgh, Pittsburgh, Pennsylvania

- Participated in steering committee meetings for the Veterans Affairs STRIDE study (physical activity intervention in veterans)
- Performed data analysis and manuscript preparation for the Veterans Affairs STRIDE study

**Co-Director Physical Activity Resource Center for Public Health,
Graduate Student Researcher**

August 2009-December 2013

University of Pittsburgh, Department of Epidemiology, Pittsburgh, Pennsylvania

- Trained interventionist in the delivery of a resistance training intervention for multiple research projects
- Performed systematic reviews of the literature on information relating to conducting research projects
- Analyze physical activity data from large using descriptive and multivariate analysis techniques
- Developed presentations and provided oral explanations of my data analysis at several scientific conferences
- Developed a physical activity research database designed to help researcher identify appropriate methods for data collection objectives (www.parcph.org)
- Provided consultation on appropriate methods for physical activity assessment, data analysis and interpretation
- Develop intervention materials relating to resistance training and flexibility exercise for several research projects
- Trained researchers on appropriate procedures for conducting behavioral intervention research projects
- Developed presentations on health related topics for lay community audiences

Student Worker

May 2009-May 2010

University of Pittsburgh, Department of Epidemiology, Pittsburgh, Pennsylvania

- Performed urinary analysis for the Epidemiology of Diabetes Complication study
- Certified in blood pressure assessment
- Certified to measure neuropathy

TEACHING EXPERIENCE

Teaching Assistant

August 2013-December 2013

EPIDEM-2141: Theory of Lifestyle Intervention

University of Pittsburgh, Department of Epidemiology, Pittsburgh, Pennsylvania

Teaching Assistant

August 2009-December 2009

EPIDEM 2173 – Cultural Diversity in Epidemiological Research

University of Pittsburgh, Department of Epidemiology, Pittsburgh, Pennsylvania

PROFESSIONAL PUBLICATIONS

Hemingway, MS, Patel A, Lee B, Brown C. Sample Publication Title. Abstract Poster. *Presented at the American College of Sports Medicine Annual Meeting, Baltimore, MD*. 2010.

Hernandez KL, **Hemingway, MS**, Patel CR. Sample Publication Title. Tutorial Lecture. *Presented at the American College of Sports Medicine Annual Meeting, Indianapolis, IN*. 2008.

SEMINARS AND INVITED LECTURES

University of Pittsburgh:

Sample Publication Title. Presenter. Cardiovascular Disease Journal Club, University of Pittsburgh, Pittsburgh, Pennsylvania. November 2011.

Sample Publication Title. Innovation. Epidemiology Department Seminar, University of Pittsburgh, Pittsburgh, Pennsylvania. September 2011.

Sample Publication Title. Invited Lecturer. Obesity Journal Club. University of Pittsburgh, Pittsburgh, Pennsylvania. March 2011.

Sample Publication Title. Guest Lecturer. EPIDEM 2151 Physical Activity Epidemiology, Department of Epidemiology, University of Pittsburgh, Pittsburgh, Pennsylvania. February 2011

Sample Publication Title. Invited Lecturer. Department of Epidemiology Seminar-Debatable Tipping Points. University of Pittsburgh, Pittsburgh, Pennsylvania, December 2010.

Other Institutions:

Sample Publication Title. Presenter. Department of Kinesiology Research Interest Group. University of Massachusetts-Amherst, Amherst, MA. November 2011.

Sample Publication Title. Guest Lecturer. HPED 672 Epidemiology of Physical Activity, Department of Health and Physical Activity, Indiana University of Pennsylvania, Indiana, Pennsylvania. October 2011.

Sample Publication Title. Guest Lecturer. HPED 672 Epidemiology of Physical Activity, Department of Health and Physical Activity, Indiana University of Pennsylvania, Indiana, Pennsylvania. October 2010.

Sample Publication Title. Guest Lecturer. HED 101 Foundations of Human Health, Southern Illinois University, Carbondale, IL. September 2010.

Sample Publication Title. Invited Lecturer. College of Health and Human Development Speaker Series. Penn State University, State College, Pennsylvania. November 2009.

Sample Publication Title. Guest Lecturer. HPED 672 Epidemiology of Physical Activity, Department of Health and Physical Activity, Indiana University of Pennsylvania, Indiana, Pennsylvania. October 2009

Sample Publication Title. Guest Lecturer. HPED 672 Epidemiology of Physical Activity, Department of Health and Physical Activity, Indiana University of Pennsylvania, Indiana, Pennsylvania. October 2008.

Community:

Sample Publication Title. Guest Speaker. Senior Fitness Day, YMCA Pittsburgh, Pittsburgh, PA. May 2010

PROFESSIONAL DEVELOPMENT

Attended; University of Pittsburgh Graduate School of Public Health “Webinars and Webinar Technology for Teaching”. Lorna Kearns, University of Pittsburgh; 2012

Attended; Grant writing workshop “General know your K session”. Mark S. Roberts, MD, MPP. University of Pittsburgh; 2011

Attended; Scientific writing workshop “Becoming a more productive writer”. Susan R. Johnson, MD, MS. University of Pittsburgh; 2011

PROFESSIONAL MEMBERSHIPS & VOLUNTEER EXPERIENCES

Professional Memberships:

Network of Minority Research Investigators, *National Institute of Diabetes and Digestive and Kidney Diseases*
2013 – present

American Public Health Association
2011 – present

American Heart Association: Council on Nutrition Physical Activity & Metabolism
2012-present

American Heart Association: Council on Epidemiology and Prevention,
2011- present

Cardiovascular Disease Research Journal Club, *University of Pittsburgh, Graduate School of Public Health*
2010 – present

Obesity Research Journal Club, *University of Pittsburgh*
2008 – present

American College of Sports Medicine
2008-present

Service to the University:

Co-President
2011 – 2012

Doctoral Student Organization, *University of Pittsburgh, Graduate School of Public Health*

Vice President

2009 –2011

Minority Student Organization, *University of Pittsburgh, Graduate School of Public Health*

Doctoral Student Representative

2010 –2011

Faculty Diversity Committee, *University of Pittsburgh, Department of Epidemiology*

Service to the Profession:**Abstract Reviewer**

2014

American Public Health Association Annual Meeting

Manuscript Reviewer

2013

International Journal of Behavioral Nutrition and Physical Activity

Manuscript Reviewer

2012

The Journal of the American Medical Association

Manuscript Reviewer

2011

Journal of Physical Activity and Health

Service to the Community:

Community Speaker's Bureau, *University of Pittsburgh, Graduate School of Public Health*
Developed community health talk on hypertension for a lay audience

Conducted fitness screening for the annual Pittsburgh American Diabetes Association Expo

Participated in health fairs for the Health Black Family Project

HONORS AND AWARDS

2013 Deans Service Award, University of Pittsburgh Graduate School of Public Health
