Course Checklist for the MS in Health Services Research and Policy:

Students are required to complete 22 core credits and 11 area of focus credits. Students will work with their academic advisor to identify an area of focus with at least 11 credits (included in the 42-credit total) that focuses on a discipline or area of interest. They must complete a minimum of 42 credits in order to graduate. In order to reach the required credit hours, students must choose relevant electives in consultation with their advisor.

Required Core Courses

Course Number	Course Title	Credits	Term	Grade
